Hi-

I'm not sure who is going to have the [REDACTED] case scheduled for August 10, 2011, but I wanted to let you know that I may have a scheduling conflict as I also have a district case in Springfield that day. The Springfield cases are normally hit or miss about actually going to trial, but I just wanted to give you as much heads up as possible, though with Jim Hanchett also not available, I figured it would not be a problem. Please keep me informed of any changes in this case (trial date, plea, stipulation, etc.). Thanks.
